Golden Lake Association By-Laws state that the Association's Annual Meeting will occur the 3rd Tuesday of June, except as otherwise determined by the Board of Directors. The Board is providing this Notice to move the meeting date to September 1, 2020 due to COVID 19 gathering concerns.

The Board will notify the members of the Revised Annual Meeting in an official Notice, according to the By-Laws no sooner than 60 days prior or less than 10 days prior to the revised Meeting Date. That notice will contain information about the 5 Board members up for election and have a proxy to use for voting by an Association Member.

The Board of Directors looks forward to meeting with the membership in September to discuss the Association's 2019 - 2020 accomplishments, financial report and plans for 2020 +. In addition, the election of 5 Board members will take place at that time.
